a member of the Soviet Trade Union for Medical Workers since 1957. (A fact considered routinely as involuntary under the provisions of the Immigration and Nationality Act). The Visa Office made various checks in response to this application and learned the Central Intelligence Agency (CIA) had no additional information; that the Passport Office deemed OSWALD had not expatriated himself; that Office of Security, Department of State, had some information concerning LEE HARVEY OSWALD.

By letter October 6, 1961, the Visa Office forwarded to the Dallas, Texas, District Office, Immigration and Naturalization Service (INS), the petition executed by LEE HARVEY OSWALD in behalf of his wife's immigration visa and the State letter ventured the opinion she was not ineligible, based upon investigations by Department of State. On this occasion it was noted that OSWALD showed his permanent address as 7313 Davenport, Fort Worth, Texas.

By communication October 13, 1961, the American Embassy, Moscow, forwarded the texts of four letters from OSWALD in which he discussed the discouraging results of his contacts with Soviet authorities regarding an exit visa for his wife and the harassment his wife was experiencing at work. He also inquired whether the State Department would assist him to get a flight on a military aircraft en route to the United States because he was low on funds. It was indicated these frustrations for OSWALD continued through the Fall of 1961.

By letter November 1, 1961, to the American Embassy, OSWALD pointed out his document for residence as a foreigner in the Soviet Government expired on the following January and since the Soviet Government would not issue exit visas, it would be necessary to have residence permit extended. OSWALD inquired of the Embassy whether it was legal for the Soviet Government to extend his residence permit if he did not so request an extension.

By letter dated January 16, 1962, the American Embassy, Moscow, advised the Visa Office that the Soviet Ministry of Foreign Affairs had advised through channels a foreign passport properly
